Dear Parent
Greetings!

Due to the change in the weather conditions, there is a risk of vector borne diseases and conjunctivitis. While there is no cause for alarm, we believe it is essential to take necessary precautions to protect our school community.

To ensure the well-being of all our students and staff, we kindly request your cooperation in following these precautions:

- In case the child is suffering from eye flu, it is recommended that he/ she stays at home as eye flu is highly contagious.
- The students are advised to wear full sleeved shirt and girls should also wear leggings underneath the skirt to avoid mosquito bites.

Should you have any concerns or questions, please do not hesitate to reach out to us.

Thank you for your attention and understanding.

Regards

Principal
