Dear Parent
Greetings!

Mobile phone is one of the most commonly used gadget by one and all. Hence it is imperative for us to reflect on this over dependence on technological interventions which have their own pros and cons. We all are well aware that the over use of smart phones leads to serious repercussions affecting the physical and mental well being of individuals especially the youngsters. Further, the incidents of cyber bullying, harassment, transmission of explicit material or accessing inappropriate content can hamper the social fabric of a child.

Parents are requested to ensure that for no reason the child brings mobile phone in the school premises. Moreover, looking into the demerits of phone usage, kindly keep a strict vigil on your ward at home and limit its use to bare minimum.

Kindly note that the staff members are also prohibited to use the mobile phones during the school hours. Hence if you wish to communicate with the teachers, please contact at the school reception - **01292400300**. (Refer circular number: Adm/23-24/39, dated 26.7.2023)

Let's join hands in preserving the innocence of the children by reducing the dependence on technology and build a safe and better environment for our children.

We solicit your cooperation in all future correspondence.

Regards

Principal
