Aryabhata Ganit Challenge

Dear Parents
Greetings!

Mathematics as an expression of the human mind reflects the active will, the contemplative reason, and the desire for aesthetic perfection. Its basic elements are logic and intuition, analysis and construction, generality and individuality.

Application of Mathematics in daily life needs development of certain competencies and to promote such competencies among students through joyful assessment, Aryabhata Ganit Challenge (AGC), conducted by CBSE will mainly focus on the extent to which children are able to apply mathematics to their daily life.

The details of the Aryabhata Ganit Challenge are as under:
