Dear Parent
Greetings!

We want to emphasize once again that the school does not endorse the use of devices such as mobile phones and laptops for educational purposes. Students are not expected to create videos or organize Zoom meetings independently. In the event that online training becomes necessary, relevant instructions will be communicated by the responsible teacher. Please ensure that you monitor students' activities closely and intervene to confirm the presence of a teacher on online platforms.

Let's collaborate in promoting student's well being and academic success.

We solicit your cooperation in all future endeavours.

Regards

Principal
