Dear Parent  
Greetings!

We're excited to announce that an **Introductory Session on A.I. (Artificial Intelligence), Coding and Robotics** has been scheduled on Saturday, February 3, 2024 for the students of Grades P1 to P5.

Students will gain a basic understanding of the curriculum and its real-world applications, which will be integrated into the curriculum for Grades P1 to S3 in the upcoming session (2024-25).

We encourage all the students to attend this session to enrich their learning experience.
