Student Council

Dear Students
Greetings!

The Modern School, Sector-85, Greater Faridabad always strives to inculcate a sense of responsibility and commitment among the students with their heads held high, ready to shoulder responsibilities as leaders. Leaders are not created, they are made. Every leader stands as an example of commitment, dedication, responsibility and an exemplary strength to lead a team. To groom future leaders in our students, we are planning to induct the Student Council at school.

This is definitely one of the most significant events of our school and also a defining moment in a student leader's life too. Most people assume and believe Leadership is a position, but we would like you to look at leadership as, 'Who you are'. 'Great Leadership starts with Self- Leadership'. We believe that the students of The Modern School are resilient, responsible and willing to take all challenges. It is your chance to grab this opportunity and apply for the student council.
