Dear Parent
Greetings!

We are glad to announce that the school is planning an exhibition on the 9th Founder's Day based on the integrated learning experiences of all students of our school. The exhibition's theme is Time Travel, where students' experiences and learnings about their surroundings will be exhibited in numerous genres like photography, art and craft, Statistical presentations, models, video, documentaries, presentation papers, coffee table books, etc.

The first step in this direction is a fun-filled educational trip for Grades S4 to S6 (of session 2023-24) to Mangar Bani. Students will be part of a heritage cum nature walk. The tour day will help inculcate positive values like understanding the importance of heritage and environmental conservation. The planned heritage walk will help the students learn about the importance of conservation and include an introduction to the biodiversity of this part of the Aravallis from Mr. Sunil Harsana, a celebrated environment conservationist.
